Such motion will be considered by the Commission.

1. Page 4 of the narrative indicates that the original estimate of \$1,189,699 has been revised to \$2,070,549. However, the supporting documentation reflects the original estimate. Please provide revised documentation to support the revised cost estimate. Pages of interest that pertain to the Kentucky operations are: 23, 28, 86, 87, 111, 122-130, 150-152, 169-182, and page 13 of the "ACD Construction Cost Estimates". Revisions to these pages should be provided if any of the data has changed.

2. Page 3 of the narrative refers to fiber optic cable replacing the N-carrier being used for toll service to GTE South. However, the supporting documentation refers to T-carrier replacements. Please provide any necessary corrections.

3. Is the Barren River Remote the same as Remote I? If not, please identify which remote is the Barren River Remote.

Done at Frankfort, Kentucky, this 13th day of December, 1988.
